

Sales opportunities open to all individual PGBC members at the gallery are mugs and tiles. Tiles must be: all ceramic, flat 6" square, values between \$35 - \$95, ready to hang with appropriate secure hanging hardware on the back, codes start at number 700 and of course meet gallery quality controls. Why a size guideline of flat 6" square? So we can create a permanent visually pleasing display area in the gallery that will allow staff to simply and quickly display all members tiles, just like the mug wall. Why a price guideline? To encourage gallery quality tiles.

Your Gallery Code starts with four letters:
